A great party game, Zoo Bingo will bring laughter and giggles to your party guests. Follow these simple instructions:

Print and cut out the 8 Zoo Binggo cards and the 27 Zoo Bingo calling cards

Mix the Zoo Bingo cards and let each guest choose a card. Buttons, coins or macaroni make great bingo markers, give each child nine. The free space is filled in for you already!

Put the calling cards in a bowl or paper bag and without looking, pull out a card and call out the animal's name.

$\frac{7}{3}$When the animal called makes a match on the Z00 Bingo card, place a marker on the card. Winner is the first to color three in a row. Or try filling the whole card for a blackout.
